HISTORIC AMERICAN BUILDINGS SURVEY

BARNARD FRICKE HOUSE (Sigmund Store Building)

HABS No. MO-1408

Location: 9 West Second Street, Washington, Franklin County, Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Built ca. 1840. Originally log house with unusual fireplace and ceiling of straw. Owned by Barnard Fricke, who built one of the first houses in Washington and a "log hotel." John Motz bought it in 1855, weatherboarded over the logs, and used for grocery store. Bought by his son-in-law, Fred Sigmund, a baker, in 1877. He added upper story on adjoining building at that time. Now owned by Auguste Stump

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp, HABS historian. A master list is available in the [REDACTED] records for MO-1800.
